I appreciate the response, and you are welcome. I've got to step out of the office for about an hour to run an errand. But will be returning to the office after I'm finished in the event you have any questions.

Thank You (and I hope you also have a good weekend),

Mr. Shewmake:

I just forwarded you a copy of the Lane Plating Draft Final Sampling and Analyses Plan (SAP), as well as the text in track changes, and a copy of the Response to Comments. Due to the size of the SAP, when you have the chance, please provide me confirmation that you received them.

Thank You,
